REQUEST FOR VERIFICATION OF GENUINENESS OF AGENCY
APPROACHING OUR WARD FOR UNKNOWN INVESTIGATION

Respected Sir,

I wish to respectfully submit that my niece, Ms. Azkiya, resident of Village Dadheru Kalan, Muzaffar Nagar (U.P.) – 251001, is currently pursuing B.Voc (MLS), 1st year, at Jamia Millia Islamia University, Delhi.

She has been receiving repeated anonymous phone calls from various mobile numbers. During these calls, the callers have been asking her to report for investigation at multiple locations. The calls are being made from different phone numbers and, alarmingly, appear to be targeting females specifically.

In view of the increasing instances of cyber fraud, impersonation, and fraudulent gangs, I humbly request the police station to kindly verify and establish the identity and genuineness of the agency involved, at the appropriate level, to prevent any untoward incident.

The anonymous calls have been received from the following mobile numbers, which are being submitted for official record and verification purposes:

1. 9319572570
2. 7827088792
3. 9650320877
4. 9474222476
5. 9818351394

It is further submitted that, in response to the said calls, the girl personally reported at Jamia Nagar Police Station at 1400 hours on 25.01.2026 to attend the investigation. I further assure you that the girl and the family shall fully cooperate in any investigation that may be required by the statutory agency or agencies.
